Cadastro 1.1

- Efetua inserção de novos registros.

The screenshot shows a web browser window with the address bar displaying 'localhost:61234/Cadastro/CadClient.aspx'. The page title is 'ERP - Agenda'. The main content area features a registration form with a teal header labeled 'Cadastro'. The form contains four input fields: 'Código:', 'Nome:', 'E-mail:', and 'Telefone:'. Below the fields are two buttons: 'Gravar' and 'Cancelar'.
